SEMI-WEEKLY—TUESDAYS AND FRIDAYS

VOL. XLIX. UPLAND, CALIFORNIA, TUESDAY, MAY 25, 1943. NO. 6.

HOUSES PURCHASED BY NEWCOMERS AS MANY SALES NOTED

As the result of the large number of new residents choosing this community for their California homes, many real estate transactions are being reported today.

Among the major transactions is the sale, announced by Mrs. Nora Eells, of her 8 1-3-acre citrus grove and large residence at 1479 North Euclid avenue, to A. Q. Miller, who has been residing at 409 West Ninth street.

Likewise Mr. Miller has sold his residence and one acre of his 10-acre citrus grove to Frank Giannetti of Detroit, now with the Kaiser Co.

TO VISIT DAUGHTER

Mrs. Eells plans to spend the summer with her daughter, Mrs. Max Glass, Beverly Hills, during the summer, but she has no definite plans beyond that. Her transaction was handled by Ernest H. Gibson of the Empire Realty and Mortgage Co.

Mr. Miller, who is manager of the Ontario Daily Report, and family plan to move to the Eells residence in the immediate future and at that time the Detroit family will occupy their West Ninth street home.

BRUBAKER BUYS

Another sale of interest concerns B. F. Brubaker, who has purchased the Y. L. Brown home at 557 East Seventh street. He is a brother of Dr. H. G. Brubaker, Beulah college official. He and his family recently came here from Pennsylvania.

Mr. and Mrs. Brown expect to move to Pomona, where he is employed. Mrs. Pearl Smith handled this transaction.

She also reported that Edward E. Moody has sold his residence at 93 Vernon drive to Mr. and Mrs. W. B. Harvey of Cucamonga.

Mr. and Mrs. Carsten Nevland of Long Beach have purchased the five-acre lemon grove and residence from Clay Moore, 375 Hervey avenue, College Heights, according to Mrs. Smith.

Paul Offill, who came here from Pittsburgh to become associated with the Kaiser Co., has purchased the Carl Parker residence on Red Hill, according to H. F. Naisbitt, broker. Mr. and Mrs. Offill have occupied their new home at 424 Alta Cuesta.

IT WILL BE SMART TO WEAR RED POPPY

The newest fashion in decorative flowers this week end will be the red crepepaper memorial Flanders poppy and it will be "smart" to be seen wearing one Friday and Saturday.

May 28 and 29 are the days on which the women of the American Legion Woman's Auxiliary in Upland will sell 1,000 red memorial poppies.

These flowers, 15,000,000 of them, have been patiently made during the past year by the untiring hands of disabled veterans in hospitals throughout the country.

The veterans are paid a few pennies for each poppy made and that often is the only money they are able to earn during the year.

TO AID DEPENDENTS

Funds secured from the sale of the poppies, formerly used entirely for the disabled veterans of the first world war and their dependents, must now do double duty, for the second world war casualties and their dependents must also be aided.

The red poppies will be sold on the streets here Friday and Saturday and it is hoped the flowers will sell rapidly.

Mrs. I. J. Linkey, poppy chairman for the Upland Auxiliary unit, is in charge of the sales. She will be assisted by Mrs. H. C. Naylor, president of the unit, and several other members.

Brush Burned From 30 Acres of Land

Brush was burned from 30 acres of land at East Sixteenth street and Campus avenue in a fire that started Sunday morning and kept members of the Upland fire department on the job until late in the afternoon.

At times six trucks were fighting to keep the blaze from spreading out of control. Two of these were from the city and four from the state forestry department.

Winner of Coveted Honor at U.S.C.

Mary Kay Krysto, Alta Loma, who has been selected as the "Better Business Girl of 1943" at U. S. C., is shown above in an informal pose. She is the daughter of Mr. and Mr. Theodore Krysto and was among the U. S. C. graduates on Sunday. She was chosen as the "girl most likely to succeed in business" by the university faculty.

MAILMEN DELIVER RATION REQUESTS

Upland mailmen today began delivering to local people their applications for new ration books.

The applications are to be filled out and returned to the local post office between June 1 and 10. Postmaster Orton P. Brady pointed out that the applications should not be mailed back until June 1, but that they must be returned by June 20.

Mr. Brady pointed out that the mailmen will handle applications for all ration books — gas and food.

He also stressed the importance of every application being filled out completely and properly. Every blank that calls for information should be filled out even though it seems as though the data is being duplicated. The applications should not be returned until after June 1.

Assemblyman Price To Speak at Lions Meeting Thursday

R. Fred Price, assemblyman from this district, will speak for the first time in Upland since close of the legislature at the meeting of the Upland Lions club Thursday. The meeting will be held in the Upland Woman's club house with President William Gilliland in charge.

Judge Fred H. Jacobs, program chairman, said Mr. Price would speak on "The Machinery of Our Legislation."

"INTUITION" LEADS TO $146 DIVIDEND

Perhaps it was her intuition, but whatever it was Mrs. T. C. White, 79 East Seventh street, was well prepared to receive $146 in the Upland dividend day fund when it was offered to her late yesterday afternoon.

"It's odd," she said between exclamations, "I somehow felt I would win and so I was certain to get the sales slips."

Only two sales slips are necessary to qualify a person, but Mrs. White had five sales slips.

The White address is on page 13, line 35, in The Upland News' residential directory. The drawing was conducted for The News by Mrs. W. F. Kitchell, 866 North Euclid avenue.

Mr. and Mrs. White came to Upland last fall and have been living at "the lucky address" since October. Mr. White is employed by the Buehler Tank & Welding works, Cucamonga.

CHAPLAIN TO GIVE MEMORIAL ADDRESS

Culminating event in the annual Memorial day observances, will be the service held in Chaffey auditorium at 2 o'clock Sunday afternoon, when the address will be given by Chaplain Hugh F. Blaylock of the Ontario army air field.

Selection of the army chaplain as the Memorial service speaker was announced Monday by Mrs. R. Emerson Gilliland, president of the Woman's Relief Corps and general chairman of the Memorial day committee.

Flags and banners of all participating patriotic orders must be in place before 2 o'clock, is Mrs. Gilliland's reminder.

TO DECORATE GRAVES

Beginning at 2 o'clock, the Woman's Relief Corps members will go to Bellevue cemetery to place the flowers and the flags on all graves of G. A. R. soldiers.

At 3 o'clock the corps will hold a memorial service for the unknown soldier.

The various other patriotic orders will place their flowers and flags at the time selected by each order, most of them arranging for this observance on Sunday morning.

COMMITTEE LISTED

Members of the Memorial day committee are Mrs. Gilliland, general chairman; Mrs. Frederick W. Wikoff, secretary; Mrs. Ellis Arnett, treasurer; F. E. O'Brien, program chairman; Mrs. David L. Vasbinder, ushers, and Mrs. F. M. Martens, publicity. Mrs. Leslie L. Strawn was chairman of the Memorial service held Sunday.

Information Center Committee Reveals Change for Summer

Office of the San Antonio Heights information center, which has efficiently served that community during the past year and for which Mr. and Mrs. H. B. Hamilton generously provided space in their home on North Euclid avenue, will be closed temporarily.

However, during the summer while the office is closed, the executive committee, Mrs. Frank Davis chairman, and the well organized corps of Paul Revers will continue to function and will be ready for immediate service in case of any emergency.

The group is so well organized and the members so efficiently trained, that it is felt the necessary work can be carried on during the summer with out keeping the office open.

BICYCLE LICENSES HERE, BUT YOUTHS NOT TO CALL YET

Bicycle license plates, ownership certificates and all other material necessary to properly register the vehicles and the owners are at the Upland police department today but youths are not to call to register yet.

Black and white license plates stating: "Upland B. L." and a number will be placed on the local vehicles in the near future.

In announcing today the arrival of the plates, Police Chief Eugene L. Mueller said that an arrangement will be worked out with school officials so the licenses can be given out in an orderly and systematic manner rather than to have a flood of applications at certain hours of the day.

Wide interest has been shown by many young bike owners since the first announcement that the city council had authorized the licensing of all bicycles and registration of all owners. Cost of registering will be 25 cents.

"We will want the full cooperation of all bike owners and in a few days we will work out a definite plan with the schools so we can serve the youths to the best advantage," explained Chief Mueller.

Coordinating Group Discusses Activity

That everything is virtually in readiness for the start of the summer recreational program here was the report given to the Upland Coordinating Council at its May meeting in the Girl Scout club house.

Mrs. J. B. McCarter, chairman of the P.-T. A. committee, gave a summary of the arrangements and reported that Miss Florence Armstrong, the director, was attending special Saturday classes in Los Angeles to become better prepared for the work.

Mrs. James Martinez, council president, called for various reports and among those responding were Harold W. Cook, Mrs. Frank Phillips, Police Chief Eugene L. Mueller, Earl E. Hawthorne and Neal Van Dorin.

WASS, MASON WIN IN SCHOOL VOTE

Warren H. Wass will become a member of the Chaffey board of education on July 1 and Howard N. Mason will begin a new term on the Upland board at that time.

These men were re-elected in the annual school elections held here and throughout the Chaffey district on Friday. Forty-one persons in Upland voted.

Thousands To See Realistic Battle of Bombs and Bullets on Saturday

Bringing war realistically close home, a local battlefield will be the scene Saturday of the bombings of a dozen buildings, laying out of a heavy smoke screen, and the firing of anti-aircraft guns, machine guns and heavy mortars and other phases of modern warfare.

A mock battle in as near reality as military scientists can make it will be vividly unfolded as heavy tanks "attack" from the northeast and as bombs are thrown against the "enemy".

TO GREET THOUSANDS

Final preparations are going ahead today for Southern California's first war exhibition with the three-city committee, Upland, Ontario and Chino, scheduled to greet thousands of persons at 2 p. m. Saturday.

The battlefield will be immediately west of Lone Hill and a short distance north of Foothill boulevard. The first of a dozen buildings to be blown to bits have been erected on the site.

A three-story "hotel" has been constructed but its short life will end when a flame-thrower goes into action. This hotel and the other buildings will be the "objectives" and an estimated 30,000 persons will see what happens to the enemy.

The realistic events in the simulated battle will be on a 15-acre battlefield. A voice over a loud speaker will advise the public of the various phases of the battle and identify the various types of bombs used in the "conflict".

TROOPS COMING

Motorized equipment with troops will be on the battle scene Thursday and chemical warfare specialists with their many bombs and equipment will be on hand Friday.

The only purpose in staging the gigantic war spectacle is to give the public a more intimate conception of modern warfare. A military band is scheduled to perform in opening the program and a patriotic feature will bring the two-hour battle to a close. A speakers' stand is being erected on the western slope of Lone Hill. As general chairman, Richard G. Manley will open the program. Brief introductions will be made of many visiting officials. Some of the southland's most important military figures will be present and invitations have also been sent to the many civilian leaders.

BOMBS TO BE USED

The war exhibition will present a glimpse of the destructiveness of some of this nation's modern machinery. The chemical warfare unit will play an important role in Saturday's battle. Among the bombs to be used are phosphorous, anti-personnel and fire bombs, flame-throwers, prima-cord (for blowing up of mines) and others.

Col. M. E. Jennings, head of the civilian defense school, will be among the military dignitaries here to direct the "attack" and coordinate the battle formations.

A score of other leaders in various branches of the military forces will also be present.

H. H. Reimer, who is a patient at the Green Memorial hospital, is slightly better today following an emergency major operation, which was performed last week. Mrs. Reimer said this morning her husband's high temperature had slightly receded and that he was gaining strength.

War Exhibition Features

While extensive general preparations are going ahead for the gigantic war exhibition here Saturday, many allied features are also included in the arrangements.

STORES TO CLOSE

For example, many Upland stores will be closed Saturday from 1 to 5 to enable full support of the realistic battle exhibition. Placards stating the closing hours are displayed by the stores planning to close.

PICK YOUR SEAT

Ample room for thousands of persons is available on Lone Hill. A gradual decline provides a natural grandstand effect and from the top knoll to midway down the hill are choice seats (or places to stand). It is suggested that persons bring camp stools, boxes, or other seating facilities. In general, the "battle" scene will be off the northern end of Lone Hill, looking west.

MOUNTED POLICE

For the first time Upland's mounted policemen will see service, they riding their mounts to assist other officers in directing traffic.

For weeks the mounted unit has been training for public service. Making up the unit are Bill Williamson, Arthur J. Reeder, O. D. Davis, Nelson Gray, Sherwood Wallace and Robert R. Campbell.

DOZEN FIRE TRUCKS

Firebreaks have been constructed around the battle scene, but just in case the flame-throwers or other incendiary material might get out of bounds, about a dozen fire trucks with fire-fighting crews will be on guard. An Upland truck and equipment, also trucks from the state, federal and county forestry departments will be in readiness.

AMPLE PARKING

Ample parking facilities are available between Lone Hill and Foothill boulevard. Scores of local, county and state officers, plus auxiliary policemen, will direct the parking in plainly designated locations.

NO CAMERAS, PLEASE

It is emphasized that persons will not be permitted to take cameras to the "battle scene".

Bookcase Needed by Red Cross Surgical Dressing Workers

A person who has a bookcase to lend to the Upland chapter of the Red Cross will be aiding the war effort because it is sorely needed.

"The larger the better," explained Mrs. Paul Adams, president of the local group, in appealing for a bookcase, which will be used for temporary storage by the surgical dressings department.

Hundreds of dressings are made every day and the work is considerably handicapped without an adequate place to keep them before they are packed for shipping.

"We are counting on the public now just as we have in the past—and we hope to get the bookcase soon," Mrs. Adams added.

LEO CARRILLO TO SERVE AS MASTER OF CEREMONIES

Leo Carrillo, heralded as the ace of all masters of ceremonies, is coming here on Saturday to direct the program preceding and after the spectacular exhibition of war maneuvers.

Asked at the outset of the preparations to serve here in the leading role. Mr. Carrillo was not released by a movie studio until today. Richard G. Manley, chairman of the committee, received a letter this morning from the studio.

In his masterful manner, the famous actor will open the patriotic program, introduce the honored guests and fittingly take the throng of spectators through a narrative account of the battle of bombs and bullets.

Mr. Carrillo was personally invited to come here by Police Chief Eugene L. Mueller.

Mr. Carrillo and the other distinguished guests will lunch together at the Red Hill Country club house preceding the program. Among the guests will be Eugene W. Biscailuz, General Joseph B. Sweet, Col. B. S. Mesick, Lt. Col. Miller B. Towman, Lt. Col. Anson J. Smalley, State Senator Ralph E. Swing, Major William H. Clark, James Galanis, Lt. Col. Kenneth Little, Major Christian Peterson, Assemblyman R. Fred Price, and the mayors of the following cities: Banning, Beaumont, Colton, Corona, Rialto, Riverside, San Bernardino and Redlands.

Red Cross Work Rooms May Be Made Furniture Repair Center

Impressed with the facilities for furniture repairing at the camp and hospital service work room in the Upland Red Cross chapter's headquarters, John Barth, co-ordinating field director for the Red Cross in the Southern California area, has recommended that the local work room be made the furniture repair center for San Bernardino and Riverside counties.

When the coordinating council of the two counties met in Upland on a recent day, Mr. Barth was present and the needs of the various camps and hospitals in this and the vast desert areas were discussed.

The meeting was held at the home of Mrs. John B. Craig, chairman of the Upland camp and hospital service committee, 740 West Arrow highway. Council members were present from chapters in Ontario, San Bernardino, Riverside, Redlands, and Upland.

APPROVES WORK ROOM

Mr. Barth pointed out that the furniture restoration could be accomplished in the Upland work room with better results than at other places because of the space and equipment available.

In that connection the director took occasion to mention the excellent workmanship of P. C. Tubbs, who has given a great deal of time to the furniture repairing and re-building.

Mr. Barth suggested that the other council committees in the several chapter centers continue to collect the used furniture needed at camps and hospitals. As soon as transportation problems are solved the pieces of furniture needing repair would be brought to the Upland work room, he said.

The council members accepted Mr. Barth's suggestions, and plans to that end are being worked out.

DISCUSS HOSPITAL NEEDS

With the day rooms in the army camps being fairly well furnished at present, the coordinating council is now turnimng its attention to the needs of the hospitals.

The most urgent need at this time is for deck chairs to be used by convalescing service men who need sun baths.

At the conclusion of the meeting, the group adjourned to the Red Cross headquarters, 229 North Second avenue, and the visitors were shown through the several busy departments.

Committee In Bond Sales Convenes To Review Campaign

This city's highly successful bond investment campaign last month was officially reviewed at a special meeting of the campaign committee yesterday afternoon in the Magnolia Federal Savings and Loan association building. John W. Shepperson, chairman, read a letter of commendation for Upland from W. H. Pattillo, county chairman.

Uplanders went considerably over their quota with investments of $244,583. Mr. Shepperson commended the work of the First National Bank, Upland branch Bank of America, the post office and the building and loan association in handling the actual bond sales. He made the observation that the publicity and advertising campaign was more comprehensive than any he had seen in other newspapers.

Mr. Shepperson cited the security of an investment in the bonds.

"With the exception of the 'E' bonds, the price has been pegged and the bond states the cash value at specific periods," he said.

FOOD FUND FOR WEEK TOTALS $35

Some customer of an Upland food store advertising in The Upland News today can receive $35 at 6 p. m. Thursday.

F. L. Renfro, 336 South Second avenue, failed to qualify for the $25 offered last Thursday.

The food stores are today pointing out the importance of buying during the middle of the week. Wednesday and Thursday are "food days" here.

All it takes to win is a sales slip or sales slips, showing purchases of $1 on Wednesday or Thursday at any of the advertising food stores. An address will be selected from The News' residential directory Thursday evening.

LAND ON ETIWANDA AVENUE BOUGHT AS INDUSTRIAL SITE

Four hundred and sixteen acres of land extending from Etiwanda avenue to near the Kaiser Co. steel mill has been purchased as a site for a new industrial development, according to reports from San Bernardino.

The purchasers are three San Bernardino residents, who are reported planning to use the property for industrial development after the war. Sum of $50,000 was paid for the site, which extends south of Valley boulevard.

The purchasers are N. E. Van Ness, Floyd M. Sandefur and Robert C. Ringholz, San Bernardino. The men are looking forward, anticipating a postwar industrial development in the area adjacent to the Kaiser Co., according to a report from Mr. Ringholz. The tract is large enough to provide sites for many manufacturing plants. The Southern Pacific lines extend through the property.

For months rumors have been current dealing with the purchase of property as sites for future development but this transaction is the first one that has definitely substantiated the unconfirmed reports.

Mrs. Frank Wiley Resigns Work in Chamber's Office

Mrs. Frank Wiley, who has served many individuals as assistant secretary of the Upland chamber of commerce, has resigned her position effective the end of this week.

She succeeded Mrs. Harry H. Plum as assistant secretary and has not only served the organization but also many individuals.

Edwin Phillips Is Sent to Polaris as Flight Instructor

Edwin Phillips, who has been an instructor at Cal-Aero academy for nearly a year, has been transferred to Polaris academy at Lancaster. He is a son of Mr. and Mrs. Frank Phillips, Wilson avenue.

An instructor in the primary flight course at Cal-Aero, the Uplander will be a basic instructor at Polaris. He is a civilian instructor.

ROTARIANS CITED NEED FOR DEFENSE

Perhaps better qualified to speak on the subject than any other individual in San Bernardino county, E. Tweed Stone discussed the subject, "What Am I Doing in Civilian Defense?" at the meeting of the Upland Rotary club in the Red Hill Country club house at noon today.

The importance of civilian defense, need for whole-hearted support by civilians in the war effort and necessity of observing such slogans as "Zipping the Lip" were fully discussed by the president of the Rotary club.

Very few people knew when President Roosevelt was on an inspection trip to Pacific coast war industries, he declared, adding that when workmen returned home after seeing the president in their plants, they naturally told their families.

"Well, that night," added Mr. Stone, "Tokyo broadcast that President Roosevelt was on the west coast."

The speaker, outstanding leader in civilian defense efforts, said that on an airplane is a parasitical strut to at times keep the plane from going higher. Basing his address around the "parasitical strut" the club president challened the Rotarians as to their part in local civilian defense.

Civilian Defense

Civilian Defense Council meeting in the Control room, Wednesday, 10:00 a.m. All members urged to be present.

Volunteers are needed to assist with arrangements for the war exhibition, to be held on Saturday, **May 29th.** Report to R. W. Derby, Upland city hall or Ralph Berryman, Ontario city hall.

Reminder: AIR RAID WARNING SIGNAL—2 minute undulating sound — low to high pitch.. ALL CLEAR—2 minutes sounding at high pitch.

Miss Evelyn Read and John Kropp Take Marriage Vows

With a note of simplicity marking all arrangements for the wedding, Miss Hannah Evelyn Read became the bride of Earl John Kropp of Chino in a ceremony occurring at 8 o'clock Saturday evening at the home of the bride's parents, Mr. and Mrs. Stanley Read of 402 North Eleventh avenue.

White gladioli and white stock provided attractive decoration for the rooms.

In the presence of members of the immediate families, the Rev. Harry A. Sprague, formerly of Upland and at present located near Stockton, performed the double ring marriage service.

The bride wore an afternoon dress of Jersey mesh in floral design on a white background, and a white hat. Her other accessories were blue and she wore an orchid corsage.

Attending the bride was Miss Mary Gear of Upland. She wore a sports dress of floral Jersey with tan accessories and a gardenia corsage.

Serving the bridegroom as best man was the bride's brother, Stanley Reed, Junior.

Following the ceremony a wedding dinner was served, with a handsome wedding cake holding a conspicuous place in the menu.

Mr. and Mrs. Kropp spent the week end in Hollywood and have returned to Upland. They will reside for the present in the Read home and later will establish their own home on the ranch at Chino.

Mr. Kropp, whose parents are Mr. and Mrs. John Kropp of Chino, was a student in Chaffey junior college until recently.

The bride is a senior in Chaffey high school and will be graduated there early in June.

Marjorie Browning Is Graduated With Honors at U.C.L.A.

Mr. and Mrs. J. B. Browning and their daughter, Miss Sharlotte, of 1100 North Euclid avenue, were in Los Angeles Sunday to attend commencement exercises of the University of Southern California.

Miss Marjorie Browning, younger daughter of Mr. and Mrs. Browning, received her Bachelor of Arts degree, and was one of the six out of 750 graduates who graduated with honors. She majored in psychology.

She is a graduate of Chaffey high school and junior college. During her junior year she studied at Pomona college, going to the University of Southern California for her senior year. She is a member of Delta Delta Delta sorority and resided at the sorority house. She expects to return to the university in the fall for graduate work.

Exercises were held this year in an open air auditorium north of the coliseum, where they are usually held.

Kentucky Mission Worker Speaks To Bethany Union Aid

Members of Bethany Union Ladies Aid society, meeting Friday in all-day session at Bethany Union church on San Antonio Heights, had as their special guest Miss Anna Bethke, a missionary to the mountain people in Kentucky.

Miss Bethke for a number of years has been in charge of a mission at Stray Branch, near Jackson, Ky., and it is this mission the Bethany Union Ladies Aid society has aided in supporting for many years.

During the day Miss Bethke talked informally and told many interesting things about the mountain people.

Each year the Aid society sends a large Christmas box to the mission. This year they are concentrating on layettes and clothing for small children.

A business meeting was conducted by the president, Mrs. Alfred Wiebe, and during the greater part of the day the women sewed. A contributed dish luncheon was served at noon.

Miss Wimpress Will Play Church Chimes In Vesper Programs

The chimes vesper program, which for more than two years has been conducted at St. Mark's Episcopal church by volunteer organists from that and other churches in Upland, has been put on a permanent basis, it is announced by the rector, the Rev. John A. Luther.

Miss Elizabeth Wimpress has been engaged by St. Mark's as chimesmaster to present the chimes program of hymns each evening from 7 to 7:15 o'clock.

Miss Wimpress plans to play request numbers, including selections commemorating birthdays and other anniversaries.

Those desiring to request the playing of certain hymns may do so by contacting the rector.

It is pointed out, however, that not all hymns are adapted to chimes playing and adjustments may be necessary in request programs.

Temperance Union Members Meet for Business Session

Business matters were given attention and a brief program was presented during the afternoon session held Friday by the Woman's Christian Temperance Union.

The meeting was held in the parlor of the Methodist church, with the president, Mrs. Ralph H. Marr, presiding. The devotional service was conducted by Mrs. P. C. Tubbs.

Following the transaction of business, Mrs. James Merchant gave a comprehensive report of a sermon delivered by the Rev. Don S. Ford, pastor of the Methodist church in San Bernardino, during the recent W. C. T. U. institute held there.

Mrs. Marr read an article, "Who Was the Criminal?" written by Van Buren Perry, judge of the circuit court in Aberdeen, S. D.

Attending the meeting were Mrs. Marr, Mrs. W. C. Clewett, Mrs. J. P. Bert, Mrs. E. A. Clauson, Mrs. P. C. Tubbs, Mrs. Donald G. Stewart, Mrs. W. L. Keown, Miss Lillian J. Williams, Miss Katherine Van Osdel, Mrs. Virginia Eberly, Mrs. James Merchant, Mrs. Wm. I. Doole, Mrs. Flora S. Allen, and Miss Flora Morley.

FOUR MORE EVENTS AT BEULAH COLLEGE

With the series to be concluded Friday evening when the commencement exercises are held, four more programs are to be presented in the twenty-third annual commencement of Beulah college.

The music recital, the fourth in the series, will be held tonight, beginning at 8 o'clock, in the auditorium of the Brethren in Christ church. The other programs also will be given in the church auditorium.

SPEECH RECITAL

Speech recital to be given by the public speaking class, will be held Wednesday evening at 8 o'clock. Those participating will be Ardys Engle, Evelyn Raser, Owen Alderfer and David Musser.

SENIOR CLASS NIGHT

The senior class program will be given Thursday evening, also at 8 o'clock. Invocation will be given by the class advisor, Benjamin G. Lenhert, and the benediction will be pronounced by the college president, Arthur M. Climenhaga.

The program numbers will include introduction of the class by the class president, Lawrence Rohrer; music by the senior men's quartet, Paul Landis, Paul Charles, Lawrence Rohrer and Ray Gade; class history, by the class; song by Florence Lehman, contralto; class prophecy, with Ray Gade, reader; music by the men's quartet; instrumental duet, Ray Gade and Paul Landis; class will, Verna Lenhert, reader; class song, by the class.

COMMENCEMENT PROGRAM

The entire series will culminate Friday evening in the commencement program, which will be featured by the address by the Rev. Paul A. Kenyon, pastor of the Christian and Missionary Alliance church in Redlands. His subject will be "The Price of Immortal Greatness".

Miss Dorothy Witter will serve as pianist and President Climenhaga will give the invocation. A vocal solo by Prof. Rollin Cochrane will be followed by the address and the Beulah college men's quartet will sing.

Conferring degrees, presentation of diplomas, presentation of gifts and announcement of accessions, will complete the program.

METHODIST WOMEN OF DISTRICT MEET

Methodist women from many points throughout Southern California will come to Upland tomorrow to attend the meeting of the Woman's Society for Christian Service of the Pasadena district.

The meeting will be held in the Methodist church, beginning at 10 a. m. and closing at 2:30 p. m.

Mrs. Harold J. Stickney, president of the Upland W. S. C. S., and her officers will be in charge of local arrangements. The program has been prepared by the district officers and includes addresses by several prominent speakers.

Luncheon will be served in Fellowship hall at 12 o'clock by a committee of the local society and the afternoon session will open at 1:30. Luncheon reservations, received by Mrs. Lester P. Jones, were closed Monday evening.

The sessions will be open to the public and anyone interested in hearing the addresses and discussions is cordially invited to attend.

P.-T. A. COUNCIL MEETS WEDNESDAY

Ontario Council, Parent-Teacher association, will hold the final meeting of the school year Wednesday at Vina Danks junior high school in Ontario.

Mrs. Wilbur Rowlands, president, will open the session at 10 a. m.

Luncheon will be served at noon. No reservations are necessary.

Miss Lois Kent, head of the home economics department at Chaffey junior college, will be guest speaker and will discuss "Home Canning". Reports of the convention held in San Bernardino last week will be given.

Citrus production in the United States is made up of 62 per cent oranges, 29 per cent grapefruit and 9 per cent lemons.

The benediction will be pronounced by the Rev. B. M. Books, chairman of the board of trustees.

Memorial Sunday Services Held At Church In Ontario

Each of the patriotic orders of the West End was well represented at the annual Memorial Sunday church service held in the Temple Baptist church in Ontario.

The sermon was delivered by the pastor, the Rev. Robert F. Dennis, whose subject was "America Remembers".

The service was broadcast over KPRO, Riverside station.

Patriotic orders represented were the Woman's Relief Corps, the Daughters of Union Veterans, Sons of Union Veterans, Woman's Auxiliary to the Sons, Spanish War Veterans, Woman's Auxiliary to the Spanish War Veterans, Veterans of Foreign Wars, and the Woman's Auxiliary, Disabled American Veterans and the Woman's Auxiliary, American Legion posts of Ontario and Upland and the American Legion Woman's Auxiliary units of the two cities, and the Daughters of the American Revolution.

Mrs. Leslie Strawn, member of the general Memorial Day committee, of which Mrs. R. Emerson Gilliland is general chairman, was in charge of arrangements for the Sunday memorial service.

Yearbook Is Given To Beulah College Students Monday

Beulah college students received their 1943 annual, The Echo, yesterday morning, the edition depicting student life and a resume of the institution's accomplishments during the year.

The annual is dedicated to Benjamin Lenhert, the college business manager and a member of the faculty.

Owen Alderfer is editor of the annual and he is also editor of the student monthly publication, The Echo. Working closely with him was Paul Witter, business manager for the monthly edition and the annual.

Other members of the annual staff are Miss Miriam Bowers, advisor; Margery Logan, literary editor; Margaret Engle, religious editor; Dorcas Climenhaga, news editor, and Norman Byer, circulation manager.

Carl Graves, who was under medical treatment at San Antonio Community hospital for a number of days, was sufficiently improved Monday to be returned to his home at 671 East Ninth street.

Mrs. W. Emery Donovan, former Upland resident, who is now living in Riverside, returned home Sunday after enjoying a visit of several days with Dr. and Mrs. W. R. Farmer at their home, 446 North Campus avenue.

Mr. and Mrs. Harry S. Fies had as guests on Sunday at their home, 1042 Washington boulevard, Mrs. Fies' sister, Mrs. Myrtle Gaul, and Mrs. Selina De Boid, both of Los Angeles, and Mr. and Mrs. Clark Whipple, their daughter Donna and son Larry, of Burbank.

Our location is convenient—the service is speedy—the gasoline is Texaco. Come to Roy Creighton's —adv. 98-tf

Mr. and Mrs. Ray C. Norton, 793 North Euclid avenue, motored to Santa Monica Saturday afternoon and enjoyed a visit over the week end with their son-in-law and daughter, Mr. and Mrs. Irving S. Brown (Mary Norton) and their small son, Raymond.

Mr. and Mrs. Randall Bryden motored from Santa Paula Saturday to get their small son, Bobby, who spent last week as the guest of his grandparents, Mr. and Mrs. J. W. Bryden, of 268 G street, returning home Sunday afternoon.

Mr. and Mrs. W. C. Haliburton are new Upland residents, having come from Needles, and are residing at 520 North Euclid avenue, the residence occupied by the late Mrs. Bert Foster. Mr. Haliburton is employed at the Kaiser Co. They have two boys and a girl.

Mrs. Hattie L. Irvin had as recent guests at her home, 1208 East Ninth street, Mr. and Mrs. Jack A. Payment of Van Nuys, who came out for the day. Mr. and Mrs. Clifton Murphy of Ontario entertained Mrs. Irvin and her guests at dinner.

Mrs. Clifford D. Jellison, 1508 West Eighth street, submitted to major surgery at 7 o'clock this morning at Green Memorial hospital. This afternoon she was reported to be getting on splendidly.

Mrs. G. B. West, 621 North Euclid avenue, who was ill for about three weeks, being confined to her bed part of the time, is now improving and expects soon to be fully recovered.

When stomach gases cause bloat,

Miss Georgia Sleuman, daughter of Mr. and Mrs. G. Vernon Sleuman of Long Beach, spent the week end here with her grandmother, Mrs. Winnie McCullough, and her uncle and aunt, Mr. and Mrs. F. E. O'Brien, 635 East Ninth street, and with friends in Ontario.

Mrs. George J. Bieneman and seven-year-old daughter, Margy, arrived yesterday morning on the Union Pacific from their home in Rockford, Illinois, for a visit with Mrs. Bieneman's parents, Mr. and Mrs. Fred Simmering, who are residing at 525 North Euclid avenue. The visitors expect to remain in California for several weeks. This is their first visit here.

DeVon Francisco, yeoman third class, left Monday to return to his station at Camp Farragut, Idaho, after spending a week here with his wife and his parents, Mr. and Mrs. C. K. Francisco, 636 East Arrow highway. He was called home by the critical illness of his father, who is now improving slowly but steadily. A daughter, Mrs. Al Harkness, who came down from San Francisco, returned to her home several days ago.

U. S. O. SERVICE PLANS OUTLINED

Service at the U.S.O. headquarters will be continued with many Upland individuals and organizations supporting the work although slight changes have been made in details.

For example, filling for the sandwiches will be provided by the U.S.O. with bread and lettuce to be provided by the assisting organizations.

Every effort will be made to "keep the cookie jar filled." If necessary, the U.S.O. will reimburse in sugar and shortening the individuals and organizations providing the cookies. Plans are being made to establish the U.S.O. the Frankish building, South Euclid avenue and Transit street, Ontario, on June 1, changing it from the Ontario Woman's club.

Schedule of organizations to serve at the U.S.O. this week follow:

Wednesday—Rambler's club; Thursday — Ontario Presbyterian church; Friday — Upland Juntor Welfare league; Saturday — 10 to 6, Ladies Aid Bethany Union church.

Though the farmer receives 57 cents of the American housewife's food dollar, the U. S. D. A. estimates that his net profit is less than a year ago because he is paying more for labor and other costs.

RED HILL CLUB IS REFURNISHED AND PROGRAM RESUMED

In a new dress, with many improved facilities, and with a streamlined service for wartime, Red Hill Country club is at the start of the summer season. Club activities have been at a minimum for several weeks while interior changes were made and new facilities added in the building.

This week, however, sees the start of a busy program to give residents of the community increased recreational and social diversions.

The swimming pool will be open on Saturday. The bridge luncheon will be held tomorrow, and on Saturday the monthly club dance will be in the nature of a "grand opening". Dinners will be served in the improved glassed-in dining room from 6 to 10 p. m. every evening except Tuesday. Jay Snyder is the concessioner.

Among the major changes in the club house is separating the lounge from other portions of the club house through construction of a partition. A commodious lounge is provided and at the same time the appearance of the main lobby is improved.

Many persons, however, will regard the improved dining room as the major change in the remodeled and redecorated community headquarters. The glassed-in dining room has many new appointments, including new furnishings and floor covering.

Dr. A. A. Aita, club president, pointed out that the kitchen has been virtually re-stocked with a new range, refrigerator, steam table, electric broiler, exhaust fan, utensils, plates, etc.

As the result of the improvements and other added features, many persons have joined the club with the membership roll the largest in history.

"Many persons have been so impressed with the improvements they have volunteered to help defray the cost of the new furnishings and changes," Dr. Aita explained.

"We are grateful for the fine support shown the club by people in the community and we are looking forward to a very active season."

Heights Red Cross Branch Changed to Basement of Church

San Antonio Heights branch of the Upland Red Cross chapter, which last week added the making of surgical dressings to its already established sewing and knitting project, has expanded to such an extent that it became necessary to move to larger quarters, it was revealed today by the branch chairman, Mrs. Walter V. Combs.

A number of women responded when the first surgical dressings session was held last week in the home of Mrs. H. B. Hamilton.

The accommodate the growth in the working personnel, the branch headquarters has been moved to the basement of the Bethany Union church.

Mrs. Combs announced today that Mrs. Gooding Lydick will be in charge of the sewing at the church each Tuesday.

Miss Martha Tye will serve as knitting and sewing chairman each Wednesday.

Mrs. Combs will be in charge of sewing each Thursday.

SURGICAL DRESSINGS

Mrs. H. B. Hamilton is serving as chairman of the surgical dressings committee, the other members being Mrs. A. C. Millard and Mrs. Hugh L. McLellan.

The dressings will be made in the church headquarters on each Wednesday, Thursday and Friday.

BIRTHS

Mr. and Mrs. D. R. Navarette, 621 Turner avenue, Cucamonga, are the parents of a daughter, born at the San Antonio Community hospital Saturday evening.

Mr. and Mrs. Leo Ashby, 1110 Nocta street, Ontario, are the parents of a daughter, born at the Green Memorial hospital Sunday afternoon.

Mr. and Mrs. Charles Sanders of Claremont are the parents of a daughter born at 10:40 this morning at San Antonio Community hospital.

Four babies have arrived at Green Memorial hospital within the past three days. Mr. and Mrs. Stewart Street of Pomona are the parents of a son born at the hospital at 1:45 Saturday morning. Another boy arrived at 12:30 Saturday afternoon, his parents being Mr. and Mrs. James Miller of East Belmont, Ontario. A daughter arrived at 2:14 Sunday morning for Mr. and Mrs. Leo Ashby of Nocta street, Ontario, and Mr. and Mrs. Fiske Saunders of Claremont are the parents of a daughter, born at 4:40 this morning.

Mr. and Mrs. Robert Groff, 431 Tenth avenue, are receiving congratulations from their many friends over the arrival of a daughter at the San Antonio Community hospital Saturday morning.

More Deck Chairs, Subscriptions to Magazines Needed

In response to a recent call for deck chairs, made by Mrs. John B. Craig, chairman of the camp and hospital service committee of the local Red Cross chapter, several chairs have been received and are now being repaired in the work room at the chapter headquarters.

The deck chairs are needed for use by convalescent service men in the army and navy hospitals in this area and it is hoped many more will be brought in.

MAGAZINES GIVEN

Mrs. Craig also reports that the recent call for magazine subscriptions for the service men has resulted in 18 subscriptions being received. Of these, 11 were for the army hospital at Needles and seven were for Camp Irwin at Barstow. Many more subscriptions are needed.

WITH OUR BOYS IN THE SERVICE

DIZON IN TRAINING

Entered in a hospital corpsman's school at the U. S. navy hospital in Farragut, Idaho, for a six weeks training period is Jack Briggs Dizon, son of Mrs. R. Duque, 381 Twelfth avenue.

During the time he is receiving this training, he will learn a great deal about the care of the injured and ill from the U. S. navy forces. On graduation he will go into service at a navy hospital for a short probationary period, then transferred to a permanent assignment.

ROBERT SHERWOOD WRITES

Robert Sherwood, son of Mr. and Mrs. Ray R. Sherwood of 815 West Seventeenth street, is missing California's sunshine while stationed with the army air corps in Missoula, Mont. He is taking an intensive course in the University of Montana in preparation for his pre-flight training. In a letter to The Upland News, written on May 16, Mr. Sherwood says:

"The Upland News arrives regularly, and we certainly do appreciate it. You've no idea how much closer to home it makes one feel to open up the paper that has been so familiar to him for years and read about what his friends and acquaintances are doing. It really boosts a fellow's morale. You might be interested to know that the California chambers of commerce have nothing on the residents of Missoula as far as "unusual" weather is concerned. We've had a few nice days, but rain, snow, and low temperatures have been predominating. This country is beautiful, though, and Missoula is a very pretty town. But we're all looking forward to the time when we'll go back to California. This is just a brief note, but I did want to let you know that I do enjoy The News and appreciate your sending it to me. Thank you so much."

BERT IS TRANSFERRED

Dwight E. Bert, who has been in training at Camp Barkeley, near Abilene, Texas, has been transferred to Camp Carson, near Colorado Springs, Colo. He is attached to the medical supply office and finds his work very interesting. Mr. Bert is the son of Mr. and Mrs. J. P. Bert, of 563 North Third avenue.

TWIN-CITIES CHALLENGED

The Taylor brothers, Robert and Wallace, both pilots in the United States army air force, are helping to make history in a big way in England and Africa. They are sons of Mrs. Wallace C. Taylor, a resident of Upland for many years and now residing at 1056 North Euclid avenue, Ontario.

Lieut. Robert B. Taylor pilots a P-45, operating from a base in England. In a letter just received by his mother, he makes a suggestion that becomes a challenge to the people of Upland and Ontario.

In telling of seeing new planes arrive at his base from the United States, Lieutenant Taylor said: "I recently had the privilege of seeing two new planes come in, one bearing the name of Redondo Beach and the other, Belleflower, and was I thrilled! It makes us mighty proud of the little California towns that have put out so much money for us. It's a good deal of money for such small places. I'm waiting to see a plane come in from my home towns, bearing the twin names of Upland and Ontario."

Lieutenant Taylor says he occasionally meets Gene Fetrow of Upland in the course of their regular flights.

DOWN IN AFRICA

First Lieut. Wallace C. Taylor, who is pilot of a B-24, has been through the fighting in North Africa, seeing action throughout the Tunisian campaign. A recent issue of Life carried a story of the Tunisia fighting men and a picture of Lieutenant Taylor's plane was shown. Beside the plane was his navigator. His co-pilot is Lt. Francis Wiesler, formerly of Ontario and at one time an employe of the J. B. Draper Co.

Mrs. Taylor hears from her sons regularly and she received a Mother's day cable from each of them.

YEOMAN TO GRADUATE

Jack Porter, yeoman third class, at Camp Farragut, Idaho, will be among the Chaffey junior college seniors graduating in absentia in the Chaffey commencement exercises on June 11. Jack is stationed at Camp Farragut in the office of the personnel department, and he will be graduated from that camp in September. He is the son of Mr. and Mrs. J. W. Porter of 279 North First avenue.

STATIONED IN TEXAS

Corp. Evan E. Bohen, son of Mr. and Mrs. W. E. Bohen, 451 North Tenth avenue, is now deep in the heart of Texas, being in training in the medical service school at Fort Sam Houston, San Antonio. He is receiving diversified training and at present is in the X-ray department. He recently was transferred from the army basic training center at Kearns, Utah.

CREIGHTON ADVANCED

Jack Creighton, stationed at Ketchekan, Alaska, with the United States coast guard, now has the rating of gunner's mate third class, his advancement having occurred on May 8. Jack is the son of Mr. and Mrs. Roy Creighton, 756 Washington boulevard.

ROBERT SIBOLD

Robert I. Sibold, pilot in the U. S. army air force, is stationed at Maxwell field near Montgomery, Ala., and he says that is the finest field of them all. Pilot Sibold not only likes Maxwell field, but he also likes the city of Montgomery and the surrounding country, which he finds very beautiful.

STANLEY SIBOLD

Stanley M. Sibold, who gained recognition for his work in carrier pigeon development at Chaffey under the direction of Ray R. Delhauer and who maintained a large loft of his own, is attached to the signal corps of the U. S. army air force and is stationed at Dover, Del. The young men are sons of C. W. Sibold of North Fifth avenue.

BEGINS PRIMARY TRAINING

Arthur Sherbondy, flight sergeant, has been transferred to Coleman, Texas, for his primary flight training in the U. S. army air forces. He received his pre-flight training at San Antonio, Texas. Word of Cadet Sherbondy's transfer has just been received by Mrs. Sherbondy and by his parents, Mr. and Mrs. W. A. Sherbondy, 339 South Third avenue.

LT. JOHN POOLE

Mr. and Mrs. N. P. Poole, 458 North Euclid avenue, have received word from their son, Lt. John D. Poole, that he was leaving for Wilmington, Del. Lt. Poole was formerly with the ferry command at Long Beach.

Mr. and Mrs. Poole have another son, Porter Poole, Jr., who is in training as an instructor at Silver lake.

HOUSES PURCHASED IN NUMBER DEALS

(Continued from Page One)

since selling her home in Cucamonga a few months ago, has purchased the residence at 1075 Washington boulevard from Mr. and Mrs. O. E. Hirschler of Laurel avenue, former residents of Cucamonga.

Mrs. Rarick is having some work done on the house and she expects to occupy her newly acquired home within a short time.

Mr. and Mrs. L. A. Glenn, who recently sold their home at 569 North Eighth avenue to Mr. and Mrs. Everett W. Long, have purchased the residence at 359 West street from Mrs. Dorothy Tinsley O'Neal.

Another recent real estate deal was that in which Alvin Gish purchased a residence on Red Hill drive from S. A. Patterson.

Mr. and Mrs. Fred R. Yoder, who recently came to Upland from Hutchinson, Kan., are the new owners of the residence property at 953 Washington boulevard, and they have occupied their new home. The property was purchased from Mrs. Sarah E. Evans, who has moved to Sierra Madre.

All these five transactions were handled by E. O. Bowden of the Upland Realty & Insurance Co.

Redlands University Commencement Held

Mr. and Mrs. J. W. Porter, 279 North First avenue, and Mrs. L. W. Hoppe of 753 East E street, Ontario, attended both the baccalaureate service and the commencement program held Sunday at the University of Redlands. In the picturesque setting of the shaded campus, the two events were especially impressive. Honorary degrees were conferred upon Gov. Earl Warren, commencement speaker; Mrs. E. W. Shirk, president of Scripps in Claremont, and the Rev. James Whitcomb Brougher, Jr., noted minister and lecturer of Glendale.

Miss Betty Hoppe, daughter of Mrs. Hoppe, and Miss Marjorie Porter, daughter of Mr. and Mrs. Porter, both members of the junior class in the university, sang with the glee club at both the baccalaureate and the commencement programs. The two girls plan to attend the university next year.

Mrs. Hoppe and Mrs. Porter went to Redlands Saturday and attended the colorful campus fiesta given by the students as a Red Cross benefit. They were over-night guests of their friend, Mrs. Ernest Long. Mr. Porter joined them Sunday morning.

NAME SUCCESSOR FOR DR. STONE

Word has been received here that the Eureka Presbyterian church at last has selected a successor to Dr. Robert C. Stone, who has served the church as pastor for several years.

By a unanimous vote the congregation has called as its pastor Dr. Ellis R. Shaw, state secretary for the Christian Endeavor, his services to begin early in the fall.

Selection of the new pastor means that Dr. Stone's repeated requests for release from the pastorate have at last been granted and the former Upland pastor and Mrs. Stone can return to their home in Upland some time next fall.

TO VISIT DAUGHTER

For the fourth successive year Dr. Stone has been selected to deliver the baccalaureate sermon at the school for Indians at Hoopa. That service will be held Sunday. Afterward he and Mrs. Stone will go on to Portland, Ore., to visit their daughter, Mrs. George N. McClusky (Janet Stone), and her two children, who will leave at once to join Mr. McClusky in Washington, D. C.

Connected with the northwestern division of the OPA for the past two years, Mr. McClusky recently was called to Washington to work in the office of Blackwell Smith, who is a high official in the OPA.

The dinner unit of the U. S. army's new "K" ration contains powdered lemon juice and lemon oil, both made from California lemons.

Do you know that last year California planted 89,600 acres of lettuce and produced 13,851,000 crates of this tender salad plant—most of which was shipped to Eastern salad eaters? This was 62 per cent of all lettuce consumed in the United States.

To deliver some 35,000 carloads of lettuce crisp and fresh to Eastern dinner tables took tons upon tons of Ice.

In fact, from the moment the crisp heads were packed in crates until they arrived at Eastern grocery stores they were ICE-PROTECTED. First of all the lettuce, when packed in crates, was imbedded in Ice—about 30 pounds of crushed Ice per crate. Then, when loaded into the refrigerator cars, 20,000 to 30,000 pounds of fine crushed Ice was blown around the crates, filling the car to the roof. Then more tons of Ice went into bunkers at each end of the car . . .

Blowing Crushed Ice into Car of Lettuce

The reason why shippers use Ice—rather than any other type of refrigeration—is because in addition to COLD, Ice provides the MOISTURE necessary to prevent wilting and drying out.

Many other fruits and vegetables are shipped East the ICE-PROTECTED way. The Union ICE Company, supplying hundreds of large vegetable and fruit packing sheds in the fertile valleys of California, looks upon the protection of food as its great wartime responsibility.

Just as Ice protects perishables best on their long haul to market, so does Ice in the *modern* Air-Conditioned ICE Refrigerator protect foods best in the home. New *modern* ICE Refrigerators are available now. Ask about them!
